Allergen information

Does the ingredient contain any of the following materials, which may cause allergy or intolerance, or any products derived from the listed materials – please consider all minor ingredients, processing aids and possible unintended presence due to cross-contamination.

Please state the presence of these materials even if present in the ingredients list. Although this ingredient may not contain the following materials – please state if present in other products made on the same line or present in the same plant.

(1) Allergic food source or products thereof	(2) Does the material contain any foods listed in column (1)?		(3) State the specific food component (e.g. soy lecithin, peanut extract, fish gelatine, etc.)	(4) If the answer is yes in column (2) indicate level in percent or mg/kg	(5) If the material is produced on shared equipment with other materials containing foods from column (1), please indicate which types		(6) Is there a risk of cross contamination of the delivered material listed in column (1)?	
	Yes	No			Yes	No	Yes	No
Cereals containing gluten		X				X		X
Crustaceans		X				X		X
Egg		X				X		X
Fish		X				X		X
Peanuts		X				X		X
Soybeans		X				X		X
